Important News!

The Lawrence Land Development Code Steering Committee just released a survey on the development process and procedure. Please take time to complete this survey ASAP. The survey closes on March 15.

Find the Applicant Survey on the Land Development Code Update project website or through this link: <https://www.surveymonkey.com/r/LKSDevRevApplicant>

Lawrence Venture Park Development Prospects

We had a very positive meeting with one of the potential industrial development groups and City Staff this week. It is possible to have groundbreaking yet this year for this project and possibly another!

As a reminder, the Panasonic VP of Supply Chain indicated we can reach out directly to him with questions. His name is Robert Winans Robert.Winans@us.panasonic.com. I would also note that Carl Walton, the construction manager, retired from Panasonic.
